

**FIM Capital, the specialist investment management and fund administration business is seeking to recruit a**

## **Senior Fund Accountant**

This is a 12-month fixed term contract working within the finance function to produce and deliver accounting and related financial services to a designated portfolio of fund administration clients.

This role will suit a candidate with strong accounting and Excel skills. Excellent communication, willingness to learn new systems and ability to work independently and as a team is desirable.

Join us at FIM Capital if you would like to excel in your career with continuous learning, a supportive environment, and excellent remuneration package that values your contributions.

**To apply, please send your current CV to our HR Manager at: [hr@fim.co.im](mailto:hr@fim.co.im)**
